

CHIEF INSPECTORS OF QUALITY MANAGEMENT SYSTEMS ISO 9001:2015

Description

CHIEF INSPECTORS OF QUALITY MANAGEMENT SYSTEMS ISO 9001:2015

(PR 328) â CQI and IRCA Certified Training

The training program is implemented by TÃ V AUSTRIA Hellas, as a recognized CQI and IRCA Approved Training Partner

The training program has a duration of 40 hours (5 days) and meets the training requirements for the registration of those interested in the International Register of Certified CQI and IRCA Inspectors.

The training program analyzes the requirements of the standard ELOT EN ISO 9001: 2015 and presents techniques for preparation, conduct and completion of inspection, through practical training in a virtual company, in accordance with the requirements of the ISO 19011: 2011 standard.

It is addressed to candidate inspectors of Quality Management Systems (QMs), consultants who develop QMs, quality managers, executives and business employees, individuals and generally to those who wish to acquire a comprehensive and high-demand knowledge about Quality Management Systems.

By completing the Training Program, participants will be able to design, develop and implement Quality Management Systems, design and implement quality improvement programs and inspect Quality Management Systems, in accordance with the ELOT EN ISO 9001:2015 standard.

The training program is designed to provide comprehensive training on the requirements of the ELOT EN ISO 9001:2015 standard and the inspections of management systems, in accordance with the ISO 19011:2011 standard, in a short period of time.

The training program covers the educational requirements of IRCA-CQI and includes activities that, through interactive training methods, familiarize learners, in a short time (â□□ accelerated knowledgeâ□□), with inspection techniques.
Familiarity with the requirements of the standard is required.

After the successful completion of daily activities and final written exams, an IRCA-CQI Auditor/Lead Auditor Certificate is issued and those who wish to do so are given the opportunity to participate in real inspections. In case of failure in the final written exams, a Certificate of Attendance is issued. In any case, it is possible, free of charge, to repeat the exams in a subsequent seminar.
