

Lead Auditors of Quality Management Systems â□□ ISO 9001:2015 (PR 328) â□□ CQI and IRCA Certified Training

Description

LEAD AUDITORS OF QUALITY MANAGEMENT SYSTEMS â□□ ISO 9001:2015

(PR 328) â□□ CQI and IRCA Certified Training

The training program is implemented by TÃ□ V AUSTRIA Hellas, as a recognized CQI and IRCA Approved Training Partner

The training program has a duration of 40 hours (5 days) and meets the requirements for the registration of interested parties in the International Register of Certified Inspectors CQI and IRCA.

The training program explains the requirements of the standard ELOT EN ISO 9001:2015 and presents techniques of preparation, conduction and completion of inspection, through practical training in a virtual company, in accordance with the requirements of the standard ISO 19011:2011.

The training program is for inspectors of Quality Management Systems (QMS), consultants who develop DBPs, quality managers, executives and employees of enterprises, individuals and generally for those who wish to acquire a comprehensive and high-demand knowledge about Quality Management Systems.

By completing the Training Program, participants will be able to design, develop and implement Quality Management Systems, design and implement quality improvement programs and inspect Quality Management Systems, in accordance with the ELOT EN ISO 9001:2015 standard.

The training program covers the educational requirements of IRCA-CQI and includes activities that through interactive training methods, familiarize the trainees, in a short time (â accelerated knowledgeâ), with inspection techniques.
Familiarity with the requirements of the standard is required.

After the successful completion of daily activities and final written examinations, an IRCA-CQI Auditor/Lead Auditor Certificate is issued and those who wish to participate in real inspections are given the opportunity to participate in real inspections. In case of failure in the final written examinations, a Certificate of Attendance is issued. In any case, it is possible, free of charge, to repeat the exams at a subsequent seminar.
