

Lead Auditors in Information Security Management Systems – ISO 27001:2022 (PR373) – CQI and IRCA Certified Training (NEW EDITION)

Description

LEAD AUDITORS IN INFORMATION SECURITY MANAGEMENT SYSTEMS - ISO 27001:2022 (PR 373) - CQI and IRCA Certified Training

The training course is implemented by TÜV AUSTRIA Hellas, as a CQI and IRCA Approved Training Partner, ID:6053715

The course complies with the educational requirements of CQI and IRCA (Certification Number A17691) for Lead Auditors in Information Security Management Systems, in accordance with ISO 27001, ISO 27002, and ISO 27006 standards.

Attendance in the training course is a prerequisite for the recognition of System Information Security Auditors. It is intended for anyone wishing to be recognized as an auditor in these systems and for those who want to understand the content of the Audit of an Information Security Management System in accordance with ISO 27001.

The training course covers the fundamental principles, steps, methodology, and techniques of third-party audits. It also presents the requirements of the ISO 27001 standard (Clauses 1-8 and Annex A) and provides an indicative methodology for risk analysis and assessment.

Familiarity with the standard's requirements is required.

The educational materials and exams are conducted in the English language.

Upon successful completion of the exams, a CQI and IRCA Auditor / Lead Auditor Certificate is awarded.

In case of failure in the exams, an Attendance Certificate is issued. In any case, the opportunity to participate in the exams of the next seminar is provided

*TÜV AUSTRIA ACADEMY's training courses are exempt from VAT, in accordance with Greek Legislation (Law 2859/2000, Article 22 §1.)
