CERTIFIED COURSE

Description

This course provides delegates with the knowledge and skills required to perform first, second and third-party audits of occupational health and safety management systems against ISO 45001, in accordance with ISO 19011 and ISO/IEC 17021, as applicable.

Who is it for?

This course is for those intending to acquire the competence to audit an organisationâ s entire OHSMS to meet the requirements of ISO 45001, either as a third or second-party auditor.

Successful completion of this CQI and IRCA Certified ISO 45001:2018 Lead Auditor (OHSMS) Training course (within the five years prior to making an application to become a certificated auditor) will satisfy the training requirement for certification as an IRCA Certificated OHSMS auditor.

This course is designed for delegates who have prior knowledge of occupational health and safety management principles and concepts, and the requirements of ISO 45001.

Content

In context of 1st, 2nd & 3rd party audits, the techniques and disciplines of:

- Audit planning and checklist development
- Performing the audit, including interviewing, following audit trails, process and auditing
- Audit report writing and feedback techniques
- Following up the results of audits with an emphasis on continual OHS system improvement
- Leading an audit team

The course will introduce you to the following OHS system cornerstones:

- The importance of robust and effective risk assessment
- Plan-Do-Check-Act methodology
- ISO 45001 requirements

A very good knowledge of the standard and familiarity with its requirements is required.

Exams

Examinations are conducted online through the CQI-IRCA examination platform within 30 days from the last day of the training course. Upon successful completion of the examinations, an IRCA-CQI Auditor/Lead Auditor Certificate is awarded. The exam questions may relate to prior knowledge that is not covered in this course. It is strongly recommended that learners who lack the required prior knowledge acquire it before booking a place on the course. In case of failure in the final exams, a Certificate of Attendance is issued, and the opportunity for a re-examination is provided within one year.
